The 2007 Melbourne Art Festival Scholarship Awarded!

The Melbourne Art Festival is proud to congratulate Kristin Budesas, the recipient of the 2007 Melbourne Art Festival, Inc. \$3000 educational scholarship. Kristin will graduate from West Shore Jr./Sr. High School this spring and will attend The Ringling School of Art Design in Sarasota, where she will major in photography and digital imaging. She has an extensive portfolio and exceptional record of accomplishments and awards in local art venues. Her academic and community participation is also exceptionally impressive.

Each year, the Melbourne Art Festival, Inc. awards a scholarship to a Brevard County graduating senior or a returning college student who is a resident of Brevard County and who majors in a visual or graphics art field. The scholarship is made possible through the generosity of the artists who participate in the show. Artwork they donate during the Festival is available at our biannual Fall Art Auction, returning in autumn 2007.

The Festival extends a special thank you to all of the artists in this year's show who continue their outstanding support for the scholarship program. For more information, see www.melbournearts.org.
