MELBOURNE **34** ART FESTIVAL

The Melbourne Art Festival Board of Directors would like to welcome everyone to the 2021 Melbourne Art Festival presented by Lexus.

Canceled last year due to the pandemic, this year's COVID compliant festival features over 200 artists, live music on the Lexus Stage, kid friendly activities, a virtual art competition for students, sponsor displays, and diverse food and beverage options at the food court and entrance.

The Melbourne Art Festival is a juried Fine Arts Show, drawing artists from throughout Florida and the U.S. Originally held in Indialantic the Festival moved to Wickham Park in 2017. The park location provides abundant free parking, less congestion, and more space for artists, sponsors, food vendors and families.

Proceeds raised during the festival, along with those raised at benefit art auctions, are used to encourage and support the arts and art education in Brevard County. The Melbourne Arts Festival has donated over \$100K to the community.

**Michiel Bullock**

[michielbullockfineart.com](http://michielbullockfineart.com)

Born in Kinston, NC Michiel has lived in North and West Virginia, spent some brief time in California and, for nearly 40 years, resided in Florida. Michiel started painting with oils, and occasionally acrylics, in 1967. As a self-taught artist, he focuses primarily on traditional representational landscapes and seascapes, leaning strongly towards realism done exclusively in oils.

*"I have found a fascination, and possibly an obsession, with the way light, shadow and color come together to bring out the drama that exists in approaching storm clouds or the strength delivered to a powerful ocean wave... or the calmness found in the early morning surf," notes Bullock. "Every day delivers a new gift of color, light and shadow to enjoy and capture with paint and canvas".*

”

His painting of the Wickham Park dock and lake set against stunning sunset colors was selected as our 2021 Commemorative Poster. You may purchase this poster at the Tee Shirt booth and/or see more of his amazing art at **Booth A90**.

Bullock is a member Artist at Fifth Avenue Art Gallery, Oil Painters of America, and his work has been exhibited in numerous art shows.

## Scholarships Available

***Are you a Brevard County high school or middle school student with an interest in creativity and the visual arts?  
Are seeking financial assistance to help you take courses, workshops and/or camps to enhance those interests and skills?***

The Melbourne Art Festival offers scholarships to help qualifying Brevard County students in the visual arts attend such programs. Scholarship funds are raised by the Melbourne Art Festival Scholarship Art Auction, which is generously supported by the Melbourne Art Festival's participating artists' donations and our community.

For further information and to access our scholarship application, please visit: [www.MelbourneArts.org](http://www.MelbourneArts.org).

## Student Art Workshops

Grades 1 - 8

For the safety of our volunteers, artists and children this year's Student Art Workshops were postponed until next year. The free art workshops to youngsters in grades 1 – 8 are taught by talented exhibiting and local artists Saturday & Sunday, scheduled from 10:00am to 4:00pm. The workshops allow our youth to explore new art experiences and each student creates a finished piece of art to take home. We're grateful to the many artists who donate their time as instructors. Be sure to encourage your children to participate at next year.

## Student Art Competitions

Grades 7 - 12

This year the Student Art Competition was moved online for the safety of volunteers, judges and students. Talented youth artists, 7th through 12th graders, were invited to compete in several 2D categories. Each school or organization could submit up to four original pieces per category. Students that enter independently could enter a total of 2 pieces, and no more than one per category. All artwork was posted by Friday, April 23rd and judged with the winners being announced Saturday at the Festival.

## Kids World

Ages 3 - 12 yr.

Kids World is a FREE arts, crafts and entertainment center, open from 10am to 5pm Saturday and Sunday, aimed to stimulate the creativity of children ages 3 to 12 years old. Following CDC guidelines for social distancing, hand sanitizing & masks, arts and crafts kits will be available.

YOU HAVE YOUR OBSESSIONS. WE HAVE OURS.

## THE LEXUS *IS*. ALL IN ON THE SPORT SEDAN.

When you're obsessed with building the purest expression of the sport sedan, you don't go halfway. Instead, you engineer a more responsive suspension and lower the center of gravity. You sharpen the design with an aggressive, wider stance and available 19-inch staggered-width forged alloy wheels. You even build a grueling 3.3-mile test track to forge it on. Because no matter what your obsession is, the deeper you go, the more rewarding it gets.
