The Melbourne Art Festival Board of Directors would like to welcome you to the 37th Melbourne Art Festival presented by Lexus.

We hope you will enjoy the fine art and Jewelry, live music on the Lexus Stage, kid friendly activities, the return of both the student art competition and VIP Patron Program, our sponsor displays, and the food and beverage options in the Food Court.

The Melbourne Art Festival is a juried Fine Arts Show, drawing artists from throughout Florida and the U.S. Originally held in Indialantic, then in downtown Melbourne, the Festival moved to beautiful Wickham Park in 2017. The park location provides abundant free parking, less congestion, and more space for artists, sponsors, food vendors and families.

Proceeds raised during the festival, along with those raised at benefit art auctions, are used to encourage and support the arts and art education in Brevard County. The Melbourne Arts Festival has donated over \$100K to the community.

Paintings by Iris Beate Struller

www.irisbeate.com

Iris B. Struller rediscovered her passion for painting in 2014 when, on a whim, she took a Bob Ross class at the local Hobby Lobby. Those first few hours uncovered her love for colors and movement she had as a child, and opened the door to capturing moments of life on canvas.

She studied painting landscapes and portraiture with local artists Karen Leffel-Massengill and Chris Kling in Stuart, Florida, continuing her studies at The Art Students League in New York City with Sharon Sprung and Liz Adams-Jones, where she learned to incorporate the limited palette of Anders Zorn into her works.

Iris loves to paint life vignettes that reflect the moment, whether on the water or in the city. Her travels have allowed her to capture instances from around the world. She is available for portrait commissions painted in oil or drawn in graphite.

KidsWorld

Ages 3-12

Kids World provides a fun, creative, and inspiring hands-on experience for children of all ages. We're excited to have you learn how to juggle and perform magic. Be inspired by school choirs, bands, and participate in art workshops led by artists. Create art using materials available in the Reusable Resources and Kids World craft tent. Of course, you'll want to make time for face painting and designing your own custom Spin Art too. Everything in Kids World is free! So parents, budget time to let your kids explore their creative side.

Kids World is open from 10:00 AM to 5:00 PM Saturday and Sunday, April 23 and 24, 2022. Remember children must be accompanied by an adult while visiting Kids World. We have wash stations, if needed, and please bring hats and sunscreen!

Student Art Workshops

Grades 1-8

Two fun & free art workshops for 1st—8th graders will be taught by talented exhibiting and local artists on both Saturday & Sunday. The workshops, which will be conducted under the KidsWorld tent, enable youth to explore art experiences and each student creates a finished piece of art to take home.

We're grateful to the many artists who donate their time as instructors.

Be sure to look at the schedule and encourage your children to participate to unleash the artist within.

Student Art Competitions to Return in 2023

Grades 7-12

Postponed in 2022, talented young artists from grades 7—12 are invited to compete in several art categories when the Student Art Competitions return next year April 22 & 23, 2023.

Each school or organization can submit up to four original pieces per category. Students that enter independently can enter a total of 2 pieces, and no more than one per category.

All artwork should be received by April 20, 2023 to be judged Saturday evening. Info: melbournearts.org/studentart

Brenda Flynn

Brenda Flynn has been creating mosaics from recycled magazine paper for over 25 years. Flynn has a BA in Mass Media Communication with a minor in Journalism. Flynn enjoyed a 27 year career with a New York Times owned newspaper, and retired to open her own gallery and studio in a pre-civil war building in Kentucky, which she and her partner restored and renovated to business and living lofts. Formally working with recycled glass and broken ceramic tiles, Flynn migrated to paper as a way to create more a more whimsical, folk-art look to her work. Flynn works exclusively on deep canvas to allow an inspirational quote to be written around the edge, adding yet another element to her work. Flynn has shown her work in many galleries along the East Coast, including the Flying Fish Gallery in Chincoteague, VA and High Tide Gallery in St. Augustine, FL. Flynn currently shows her work in art festivals in Florida, Georgia and the Carolinas.

Flynn lives and works from her home studio, steps from the ocean, in Ormond-By-The-Sea, Florida, her home state. Her website, Free-Range-Art .com, has many examples of her additional work for sale. Contact Flynn at papermosaic@gmail.com.
