## *35th Melbourne Art Festival*

The Melbourne Art Festival Board of Directors would like to welcome everyone to this year's festival located inside beautiful Wickham Park. This year is the 35th Annual Melbourne Art Festival, a fine arts show comprised of up to 250 artists chosen by a jury for their unique styles and individuality. We kick off the weekend on Thursday April 25 with a party to honor our patrons and sponsors held this year at the Lexus Dealership in Viera. Lexus is again our Presenting Sponsor and we are looking forward to partnering with them to present a fun filled, family friendly event. We begin the Festival with our annual 5k Run/Walk winding through Wickham Park on Saturday, April 27, at

7:30am. Artists' booths open at 9am both days. In addition to the beautiful art, we have Artist Workshops, a Student Art Competition, and our amazing Kid's World with lots of children's activities and a children's stage. We are also celebrating our vibrant local music scene by featuring all local acts at the wonderful Amphitheater in Wickham Park. We would like to thank our dedicated Committee members for working tirelessly to help plan and execute this big event. We wish our visitors, sponsors, artists, and vendors a wonderful time enjoying the fruits of their labor.

# Commemorative Artist 2019

## Carroll Swayze

Carroll Swayze has been an independent artist her entire life. Her mother was a writer who wrote the television show "Taxi" among other notable projects. She owned a coffeehouse in the 60's and her step-father was a gay theater director, so musicians, actors, writers and artists surrounded her. Carroll had lots of lessons in art by many well-known North American artists.

She started painting when she was 8 years old and did her first outdoor art show, The Allentown Art Festival in Buffalo, NY, when she was 14. She worked her way through high school painting and selling her work at shows as well as starting her own commercial art business painting signs, logos, designing album covers for bands and

backdrops for theaters in the area. After two years in the Fine Arts Department of York University in Toronto, Ontario, she decided to continue her artistic studies at a new school at the time, The Ringling School of Art & Design, in Sarasota, Florida, and moved south where she studied painting and printmaking.

Carroll has always been a painter. She started working in oils, moved on to India inks, then watercolors and finally acrylics. Soon after moving to Florida she bought her first etching press and started working in Intaglio Etching Hand Painted with Acrylic washes. At that time the outdoor art fair circuit was

young and thriving and the American economy was healthy. With a full show schedule and monthly gallery orders, being a real printmaker allowed her to maintain my artistic integrity and continue to offer original art to the public.

Carroll Swayze's artwork is featured on our 2019 directory cover and is available as poster.

**DAVID FITHIAN** grew up in Daytona Beach, Florida and was surrounded by artists and creative people from an early age. Beginning in 1967 he studied at the Art Students League in Woodstock, New York and then the Pennsylvania Academy of the Fine Arts in the early 1970's. While still an art student he worked in several Philadelphia galleries and learned archival framing along the way. From 1974 to 1980 he was head of the Graphics Department at Drexel University in Philadelphia. Although Fithian's main focus has always been on painting and drawing, many years were spent as a fine arts and commercial photographer. He taught photography at the Crealde School of Art in Winter Park, Florida and conducted a watercolor class at the Maitland Art Center in Maitland, Florida from 1982 to

1990. In the 1990's he lived in Eureka Springs, Arkansas and was a special features writer for the local newspaper and continued to teach and conduct workshops. As a practicing artist from art school days to the present there has been an unbroken connection to painting, including participating in numerous juried and one person exhibitions.

In 2000 Fithian returned to Florida and opened a fine art gallery in DeLand. Since 2001 to the present he has been Curator of Art and Exhibitions at the Museum of Art – DeLand, Florida. In addition to this arts administration position, he is a practicing artist and maintains an active painting studio.

Originally from Memphis, TN, **KELSEY NAGY** received her Bachelors of Art from Union University with a degree in Studio Art: Ceramics.

After graduation, she taught pottery classes to adults and children at a local studio. In 2015, Kelsey relocated to St. Petersburg, FL for an artist residency at the Morean Center for Clay. After working at a series of smaller art galleries, Kelsey went on to become the Assistant Curator at the Morean Arts Center. During her time there she has juried and curated a wide range of exhibitions. Additionally, she is the Manager of the Morean Retail Gallery. Kelsey continues to pursue her artwork as well.

**R. LYNN WHITELAW** was the founding director and chief curator of the Leepa-Rattner Museum of Art for 17 years, until his retirement in 2015. During his 40-year arts career, he was employed at Hillsborough Community College

(HCC) for 15 years in career service, gallery management and teaching positions and was Curator of Education at the Tampa Museum of Art for 8 years, where he was honored by the Florida Association of Museums (FAM) with an Innovator Award for a nationally recognized partnership program developed with Hillsborough County Public Schools.

In 1998, Mr. Whitelaw took the position as founding director of the Leepa-Rattner Museum of Art, located on the Tarpon Springs Campus of St. Petersburg College, and began working on designs for the new museum, its governance structure and education and exhibition programming. During his tenure, he also served as chief curator and dramatically expanded the museum's art collection holdings, including acquisition of the former Gulf Coast Museum of Art collection. In September 2015, Mr. Whitelaw was honored with a Lifetime Achievement Award from the Florida Association of Museums.

Mr. Whitelaw is a graduate of Florida State University with bachelor and master degrees in the History and Criticism of Art.
